

Proposal

In recent years attendance at some of the quarterly meetings has been a little thin, and the actual business meetings rather lack-lustre. To encourage attendance and at the same time to maintain ringers' interaction and contact, the following proposal is up for discussion at the ADM:

To keep the Annual District Meeting and the half yearly summer BBQ/picnic event as they are, with the usual business items such as elections and accounts.

To reduce the autumn and spring meetings to ringing events incorporating an informal tower captains/tower representative meeting where issues can be raised but not formally acted upon.

To be discussed at the ADM 5th February at Portsmouth Cathedral
