The aim of this group is to allow members and friends of the Portsmouth District of the Winchester & Portsmouth Diocesan Guild of Church Bell Ringers to communicate with each other quickly and easily. For example tower captains/secretaries could use it to send out details of cancelled practices or to find ringers for weddings, quarter peals etc. District officers can use it to send out notices of meetings, striking league updates, the newsletter etc.

Join the group.

You will be subscribed to the mailing list, and will have access to all the group's Web tools such as Message Archives, Polls, Files and Photos

Welcome to the Portsmouth District bell ringers email group.

I have set up the group with the aim of allowing district members to communicate with each other quickly and easily. It will be used by our officers to send out such things as notices of practices, meetings, social events and the newsletter. The group is not intended to be used for general ringing chat or spam!

Congratulations – you are now subscribed to the Portsmouth District emails.
If you have any problems in joining, please email me; andrew.byford@gmail.com
