

Conclave Chimney Stack:

Print on brown paper or color it brown. (You can cut brown construction paper to regular paper size to fit on your copier.) Cut the circle and make a cut on the line to its center. Tape the ends together to form a short cone.

*Cut this circle and
make a slit;
tape the ends together
to form a short cone*

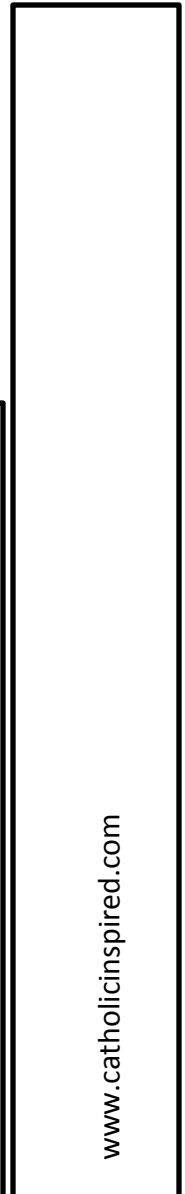

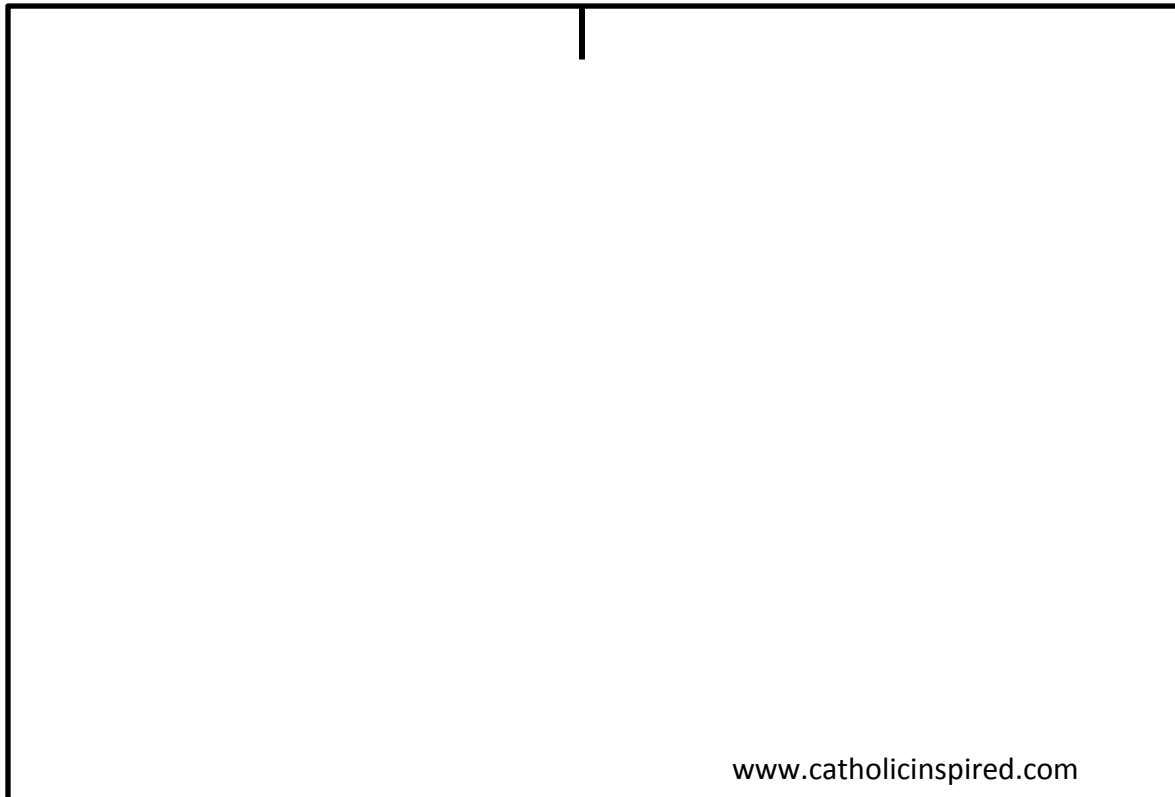

It will look like this when it's complete.

Cut out these rectangles; make a cylinder shape with the large rectangle tape it together.

The ends should be over-lapping about a half inch on each side.

The middle of the long rectangle strip should be taped to the inside of cone and stuffed down into the cylinder to hold the top on. (cut a small slit on the line of the big rectangle for the smoke)

Print onto white paper (stock paper is best):

Each child will need only one puff of white smoke and one puff of black smoke

Cut a slit on the little line to attach it to the chimney.
